### **Voting**

We will be using 'google forms' to vote during the Friday afternoon business, so a link will be provided which will allow delegates to vote. Each delegate will be given a unique voter reference number, which they have to include in the online form for their vote to be counted. Instructions and support will be available on the day.

### **Delegates Handbook**

This will be distributed electronically prior to the meeting.

### **Visitors & Friends of the Assembly**

Anyone will be eligible to attend the online assembly, zoom links will be open to all. We will request that people log in with their name and church so we can identify them as they enter.
